Map showing the location of PR6a in Oxford, with various roads and landmarks labeled. The map includes a zoom control, a 'MAP VIEW' button, a 'LIST VIEW' button, and a 'Filter' button.

Click on the map and a panel will pop out to allow you to leave a comment at that point:

The screenshot displays the 'PR6a, Oxford' EbyD interface. At the top left is the Christ Church Oxford logo. The top right navigation bar includes 'EbyD Process', 'EbyD Downloads', and 'EbyD Topic Feedback'. The main content area is split into two panels. The left panel, titled 'Please provide any site specific comments here', shows 'You have added (20) comments so far'. Under 'What is your comment about?', there are four theme buttons: 'Create a strong community' (orange), 'Minimise carbon impacts' (blue), 'Live healthily with nature' (green), and 'Doesn't apply to any of these themes' (grey). Below this is a text box for 'My comment is:' containing placeholder text. The right panel is a map of the site area, showing roads like 'Oxford Road' and 'Water Eaton', and several colored comment markers (orange, blue, green) placed on the map.

You can select the 'theme' and 'sub-theme' that is the closest match to the point that you want to make. If your comment doesn't match a theme please select 'Doesn't apply to any of these themes'. The themes align with the development principles for PR6a.

Type your comment into the text box. If you wish to provide lengthy feedback (greater than 1000 characters), please write your comment in a document i.e. Word and upload it as an attachment at the bottom of the page.

Click on 'Add my comment' to add your feedback to the map. Your pointer will appear on the map. This is important as your comment will not be registered unless you click here to send it to us.

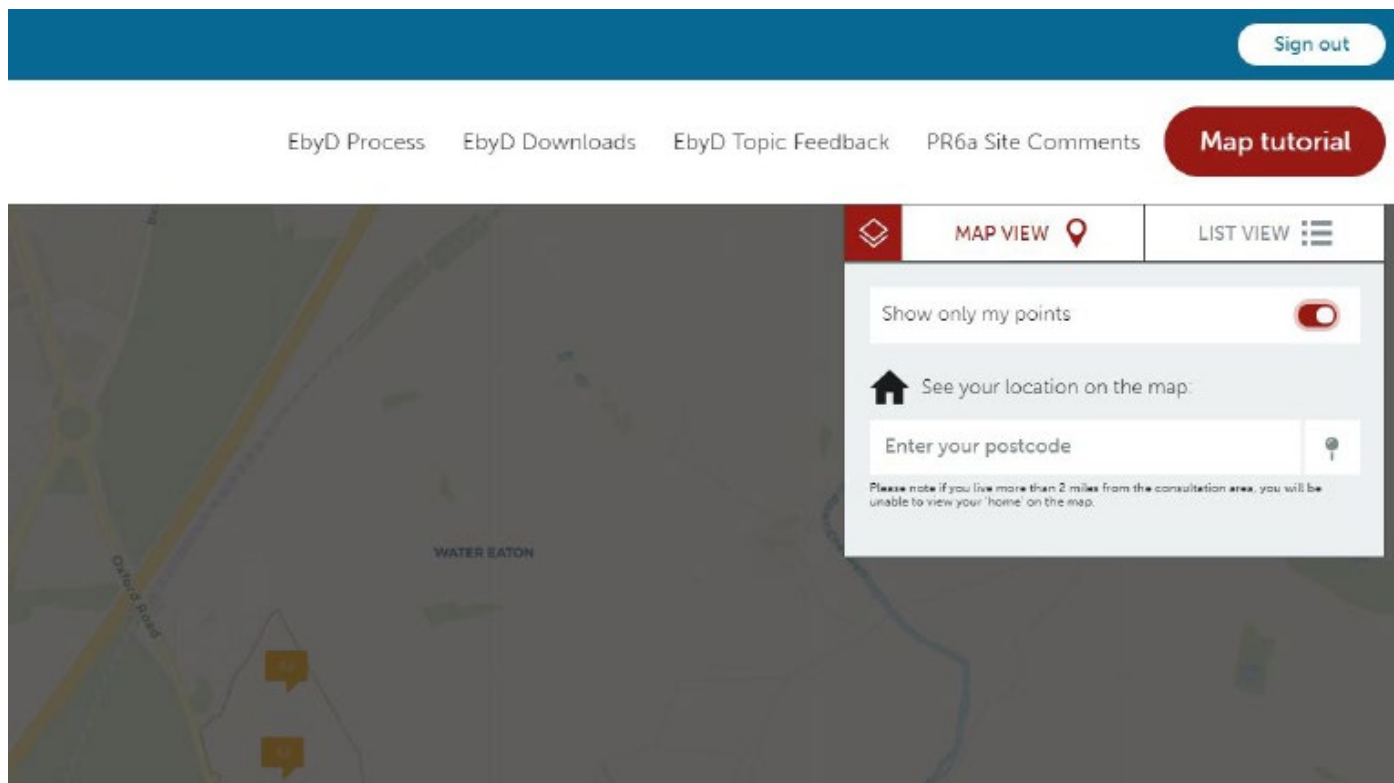

You are able to save and review your feedback.

*Please note: You are unable to edit a comment once it has been submitted. If you wish to leave additional feedback please add a further comment.*
